PASTOR MATT'S MESSAGE
SEPTEMBER/OCTOBER NEWSLETTER 2023

In the Nicene Creed we profess to believe in “catholic and apostolic church.” What does this mean? Well, the church is like a fine sports car. Such a car is beautiful to both look at and to drive. A real car enthusiast will treat their sports car with special care. The car is always well polished, bright and shiny. The interior is impeccably clean. The car is kept in top mechanical working order with the very best parts. Even the parts of the car that are not seen are pampered and cared for. And then there is driving the car. The raw power... The acceleration... The speed... The responsiveness... The nimble handling... Going for a ride in a real sports car can be an exhilarating experience. It can be an experience that turns other people’s heads as you go by with envy and awe.

The “church catholic,” like caring for a sports car, is taking care of that church which is already there. It is paying the utilities, keeping the building in good repair and up to date, maintaining worship services and making sure that the spiritual needs of the people already attending church are met. The “church apostolic,” like taking a sports car for a spin, is the church active in the world around it. It is the church that proclaims God’s love through deeds like striving for social justice and meeting the needs of the needy. It is also proclaiming the love of God through words like involvement in the ecumenical and broader church worship life of the community, warmly welcoming the visitor, and inviting everyone and anyone to worship. It is going out in the community and telling people about God’s love.

The vitality of a church hinges on being both catholic and apostolic. Like a sports car, if it is pampered with care but never taken for a ride, it defeats the purpose of having the car in the first place. In fact, a car that stays parked long enough simply won’t start at all. Likewise, if a car is driven all the time and is never cared for, it too will break down and not start.

So, what happens here at Advent Lutheran Church? Are we in balance, or are we too tilted on the catholic/apostolic spectrum? I am sure we may all have a gut response to that question. There are two indicators that can be used to help tell us. The first is the newsletter. Go through your newsletter and mark every article or announcement that focuses on Advent itself with a ‘C’ for catholic. Then mark all the articles and announcements that have to do with reaching beyond Advent to others or the community with an ‘A’ for apostolic. Count up all the ‘A’ and ‘C’ and compare your numbers. Are they balanced? In August’s newsletter I counted eleven ‘C’ and six ‘A’.

Another indicator is our budget and our actual expenditures. This indicator is telling in that it shows both what we think our priorities should be compared to our actual priorities expressed in our actions. First, go through the budget and add up all the budget lines that are ‘apostolic’ and then all of the lines that are ‘catholic’. Some budget lines, like the pastor’s salary, ideally should be both. These budget lines are divided in half and then added to both ‘A’ and ‘C’. Your totals for ‘A’ and ‘C’ reflect what we think our priorities should be. To find out what they really are, you must go through and add up all the same budget lines as you did before only this time you add the ‘spent to date’ figures. Now, I have not done any of this math. There is a reason I am a pastor and not an accountant. I do not know what this budget indicator would say about Advent Lutheran Church’s balance of catholic and apostolic ministries. I do know that every week we fall about a about three thousand dollars short of what we need to make budget. This tells me that whatever we think our priorities should be, we are not supporting them.

The church can be compared to a sports car. When I look at the congregation, I cannot help but wonder what can we really do as a church? The short spins we have taken since I have been here have been awesome. As the Strategic Mission Team has started to meet, it is time to take the car out of the garage. I say we take it for a long ride. Trust me, it will be exhilarating.

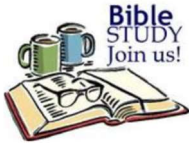

Peace,
Pastor Matt

ADVENT'S STITCH CLUB BAZAAR SUNDAYS, OCTOBER 15, 22 & 29

The Advent Stitch Club is having their Bazaar on Sundays, October 9, 16, and 23, before and after Sunday services. There will be wonderful handmade items on display for sale in the narthex.

Proceeds from the sale will help support the weekly flower arrangements that grace our altar each week and food purchases for Caring for Friends. Thank you for supporting this cause!

AUTOMATED EXTERNAL DEFIBRILLATOR

Thanks to a generous donor, Advent now has an automated external defibrillator (AED), which was installed on a wall in the church main entranceway (see photo). Thank you! An AED is a lightweight, portable device that delivers an electric shock through the chest to the heart when it detects an abnormal rhythm and changes the rhythm back to normal.

AEDs help people who have a sudden cardiac arrest, which occurs when the heart suddenly stops beating regularly. Northampton Township EMT personnel previously trained several Advent members and friends in using an AED, and plans may be made to offer another round of training. This will benefit all persons and groups using the building.

Subject: A Guest Says: Thank You

Dear Volunteers,

Last week one of our guests refused to leave without thanking me personally.

Being singled out like that is very uncomfortable for me because there is nothing singular about our work and no one person is responsible for the great service we perform.

When I think of the number of people who bring a single can of food to one of our families, it staggers me:

From the person who bought it, to the person who donated it, to the person who collected it, the person who delivered it to us, to the person who unpacked it, to the person who weighed it, the person who sorted it, the person who dated it, the person who put it on our shelves, the person who took their call and set up an appointment, the person who packed it in a grocery bag, the person who brought the bags to their car, and finally the person who brought the can home, opened it, and served it to their family.

I accepted our guest's thanks for you and I will go one step further by thanking them for their faith in us, thanking them for giving me the opportunity to work with them, to help them, and thanking them for giving me the opportunity to work with the kindest and most generous people I ever met.

A NIGHT WITH MITCH MC VICKER

Advent was pleased to have Mitchell McVicker, Christian recording artist, in concert on Thursday, July 27. He showed his quirky and inventive side with his insightful song lyrics, unconventional instruments and profound storytelling. McVicker's theology that God's Love washes over and through us regardless of our circumstances and situations was felt by all. It was a very enjoyable evening.

Thank you to Gail Oines for delicious refreshments.

VACATION BIBLE SCHOOL THANK YOUs

Many thanks to all of the students, teachers and support staff who made our Vacation Bible School so great! We explored Bible lessons and everyday discoveries through stories, videos, music and crafts. It was a wonderful week, filled with ideas about caring for others and ourselves, including planting green beans and assembling bags of breakfast foods for donation. And, thanks to families and others who donated a total of 57 containers of peanut butter and jelly with all food going to the Warminster Food Bank. Advent's 5-day program ran from July 24-28.

SPAGHETTI DINNER HIGHLIGHTS

Advent hosted a very successful spaghetti dinner on Saturday evening, August 19. Pastor Matt and his daughter, Eva, made a delicious homemade sauce, which was accompanied by spaghetti, meatballs, green salads, bread, music, and a lot of fellowship! Thank you to the 27 persons who not only attended, but also donated \$440 as a free-will offering to the Warminster Food Bank. There were also 18 dinners made from the leftovers, which will be donated to Caring for Friends.

DRIVE in AND DROP off FOOD COLLECTION

If you have food for the Warminster Food Bank that you or your friends would like to donate and the church is not open, just drive in and drop off the food under the seat of the bench outside the front door. You may still bring food into the church narthex during church and office hours. A list of the Food Bank's most needed items is in the narthex or on the website www.warminsterfoodbank.org. Thank you for helping our neighbors in need.

ALTAR FLOWER DEDICATION

There are numerous dates available for 2023 to dedicate flowers to beautify the altar each Sunday. Please sign up on the sheet on the table in the narthex with your name and dedication. Two bouquets are available each week. The cost is \$25 per bouquet. In addition to making the altar more beautiful, you take the flowers home after the late service to enjoy during the week. If you have any questions call Cindy Frey 267-205-0713.

FELLOWSHIP TIME

We need committees or individuals to sign up to provide refreshments after the 9:00 a.m. and/or 9:30 a.m. service. The sign-up sheet through December is on the fellowship table. Advent supplies hot beverages (i.e., coffee & tea) and all paper products.

NUEVA CREACION LUTHERAN CHURCH

Please consider supporting our sister congregation, Nueva Creación Lutheran Church, which does vital ministry in North Philadelphia. A sign-up sheet is found on the table in the narthex near the entrance to the sanctuary.

Recycling can tabs for charity is a great idea! If you bring them in, we'll drop them off. Look for marked containers in the narthex, located on the shelf above the coat rack. No cans, please – just tabs! The tab collection program began at **Ronald**

McDonald House Charities of the Philadelphia Region in 1997. Since the inception of the program, **RMHC** has collected over 350 tons of tabs and over \$170,000! See RMHCphilly.org.
